Kacou 13 (Kc.13) : Preaching on Islam

Prophet Kacou Philippe

Messenger of Matthew 25:6 and Revelation 12:14

Who is Prophet Kacou Philippe?

★ Biography

Youth

Kacou Philippe was born in December 1972 in Katadji, in the department of Sikensi (Ivory Coast). He is the son of an illiterate farmer. After primary school, Kacou Philippe was only able to do the first four grades of secondary education. From 1992 to 2002, he spent most of his time as a worker on construction sites.

First steps in Christianity

Everything starts with a vision that he has on April 24, 1993. First, he goes to a catholic priest to inquire about the meaning of the vision. Then, he goes to the Baptists with whom he spends three months and after that, he comes across the movement of William Branham, an American evangelist. He remains with the movement as a mere church member from 1993 to 2002.

The beginning of the ministry

Kacou Philippe starts open-air preaching in July 2002, after a second visitation of the angel that he saw in 1993. He claims to be the prophet messenger of the midnight cry, according to Matthew 25:6. For Prophet Kacou Philippe, all the churches are serving the devil in the name of Jesus Christ. He relates several times another vision that he had in 1993, and in which he says he saw church leaders with strange appearances:

“Their bodies were human bodies, but their heads were heads of different animals”. The first debates and confrontations then start.

Kacou Philippe preaches several mysteries, such as: “If God destroyed all evil with the Flood at the time of Noah, then how did evil come again on the earth after the Flood?” And this sermon has been published entirely by a Cameroonian newspaper. Kacou Philippe states that his words have the same value as the words of the prophets of the bible.

★Thoughts

The baptism according to Kacou Philippe

For Kacou Philippe, the Church starts with John the Baptist, and it was the baptism of repentance. Then the baptism of remission of sins with the apostles, then the baptism of justification by faith with Martin Luther; then the baptism of the renaissance of the Church after the first Roman persecutions; then the baptism of adoption; then the baptism of sanctification with John Wesley; then the baptism of regeneration with Pentecostalism; the baptism of restoration with William Branham and now the baptism of restitution with Prophet Kacou Philippe. And he asserts that apart from this, any other baptism is fake, even if it is done in the name of Jesus Christ or in the name of the Father, the Son and the Holy Spirit by immersion.

Kacou Philippe and Christianity

Kacou Philippe considers the Bible as the rear-view mirror of a car or a book of history. For him, the Bible is a vestige of the Judeo-Christian prehistory and can in no way give eternal Life. He burns all the Bible versions that he considers dangerous for the faith, such as Tob, King

James, Thompson, Scofield and Louis Segond. He redefines what the Word of God is, establishing the difference between the Word of God (revealed truths) and theology (knowledge acquired through intelligence). He redefines the divinity of Jesus Christ, the confession of sins which must be public, woman's place in the Church, water baptism, the Holy Spirit, the prophet, the Bible, the relation between Church and State and many other aspects of Christianity. On this, he refused to respond to a summons from the General information police of Ivory Coast. He redefines the whole of Christianity in a book called The Book of Prophet Kacou Philippe, published in three volumes by Édilivre in France… See Newspaper: Le Jour Plus N°3399 of April 15, 2016 and the newspaper Le Sursaut N. of April 15, 2016.

In March 2008, Kacou Philippe gathers all the religious leaders of his country, journalists and the civil society for a conference on Christianity, in which he judges the church. A newspaper portrays him as the maestro of the Word of God. After that conference, a newspaper read in its headlines, "A prophet unveils men of God". Like William Branham, Kacou Philippe mentions a supernatural presence which he attributes to the angel of April 24, 1993.

In 2008, the sermons of Prophet Kacou Philippe starts to be translated into other languages. Newspapers publish his sermons entirely, even outside Ivory Coast. A Cameroonian newspaper puts on its headlines: Kacou Philippe, A prophet reforming Christianity. On the media like Africa Number 1, debates start. Some people answer back indirectly, while others do so overtly and violently. Some other people go further, taking the doctrines of Kacou Philippe one by one to better neutralize them.

On May 13, 2016, Prophet Kacou Philippe is arrested at his home by the Ivorian authorities for defiance of the State authority, incitement to religious hatred and religious radicalism. He spends four days and four nights sitting on a chair on the premises of the general information police of Ivory Coast. Then, he spends two days and two nights in the basement of the police headquarters of Abidjan and three months at the biggest prison of Abidjan, before getting back his freedom on the night of August 16, 2016, being deprived of all civil rights, forbidden to preach the Gospel for a period of five years. The Togolese and Cameroonian press called the trial ambiguous. Later, some Ivorian religious leaders admitted to being behind his arrest and imprisonment.

MINISTERIAL DISPENSATION THE DIFFERENT PHASES OF THE MINISTRY

For Kacou Philippe, his prophetic ministry has two main phases or identities. The first phase, which he considered an inheritance from his father, William Marrion Branham, is the fulfillment of Matthew 25:6 and encompasses all the revelations contained in chapters 1 to chapter 154 of his book called *The Book of Prophet Kacou Philippe*. The second phase, which is prophetism, dreams, and visions, is the collection of revelations from chapters 155 to chapter 162 of his book. And from chapter 163, and an undetermined number of chapters for the time being, comprises the whole of the testimonies of healing and miracles confirming his ministry through various healing services in several countries around the world, up until the fulfillment of the vision of the big stadium he had in 1993.

Prophetism according Kacou Philippe

According to Kacou Philippe, dreams and visions are the sacred language between gods and humans, including the Supreme God. He compares dreams and visions to traffic laws and road signs on humanity's journey toward God; therefore, ignoring a dream or vision is to mock God. Thus, according to him, this is a subject that should be addressed in all churches and religions worldwide to demonstrate the importance of dreams and visions to the faithful. However, the interpretation of dreams and visions should be approached with great wisdom and caution by any religious leader, for it is by a gift from God that it should be done.

Kacou Philippe’s Healing Services

On June 5, 2022, Kacou Philippe had a vision in which an angel gave him a blue notebook and instructed him to go to South Africa. At the appointed time, he understood that the blue notebook was a passport and that after more than 20 years of ministry without leaving Ivory Coast, God was now commanding him to undertake missionary trips and he was to go first to South Africa to retrieve the gift of healing left by William Branham. Through several dreams and visions, he understood that he should organize healing and miracle services free of charge. An angel instructed him in 2021 never to accept money or gifts in kind from anyone, for any reason whatsoever, during his healing services. He begins his first healing services in South Africa in March 2025 in several cities, including Johannesburg, Pretoria, Middelburg, and Zebediela, and in April 2025 in Zimbabwe, after experiencing some minor difficulties obtaining a visa. Healing services in Zimbabwe took place in the cities of Harare and Bulawayo from April 16 to 21, 2025. Several sick people — blind, paralysed, lame, HIV patients, and deaf —

were healed instantly or days later, according to several testimonies. Numerous South African, Zimbabwean, Ivorian, Beninese, Cameroonian, and Central African press outlets, as well as major newspapers such as the Herald and the Chronicle, reported on Prophet Kacou Philippe's trips to South Africa and Zimbabwe. According to Kacou Philippe, his missionary trip to South Africa and then Zimbabwe, as well as his miracles, are identical to those of William Branham in his time in 1951. This similarity of miracles could be verified by reading or listening to chapters 163 and 164 of the book of Prophet Kacou Philippe and the book of official testimonies, William Branham, a Prophet Visits South Africa by Julius Stadsklev. This similarity would lead to the conclusion that the angel of the Ohio River is the same angel who is with Prophet Kacou Philippe. After Zimbabwe, Kacou Philippe was scheduled to visit Gabon in June 2025, but the Gabonese state refused him a visa because of religious leaders who are hostile to the free healing services of Prophet Kacou Philippe for various reasons, but especially because of the entirely free nature of Prophet Kacou Philippe's healing services, in strict obedience to the instruction of an angel in a vision in 2021. This led to the cancellation of his program in Gabon and programs in other countries such as Benin, Togo, Cameroon, Congo Brazzaville and Congo Kinshasa.

Important information before reading

The Message of Prophet Kacou Philippe has more than 100 chapters, and this is only one of them.

The Message of Matthew 25:6 - Integral text
KACOU 13:PREACHING ON ISLAM

(Preached on Sunday 9, February 2003 in Locodjro, Abidjan - Ivory Coast)

1 Islam will also receive its share of truth according to what God has decreed in Mark 13:35.
2 For four years, I was under the guardianship of a Muslim family. They treated me so well that I have as a debt to pay to them. In four years of guardianship, they never wanted to accept a centime from my parents...
3 They are sons of God as much as you and me, but it is God who has put them aside in the chains of Islam for a time. The world's attitude towards Muslims and Arabs was the same attitude that it had towards the Jews during the reign of Hitler. The day comes when God will call them: My people... I am against the religion, but not against the people. You see? Islam is the perfect image of Catholicism like the left hand and the right hand.
4 Well, now, I would like, nevertheless, to give an image of Islam, this bloodthirsty and diabolical religion which must keep a people captive until the appointed time, and then kneel before its own sons in the Name of Jesus Christ. I am a rasul and I say it in virtue of the mission that I received on April 24, 1993. Word of prophet. The hour of the judgment of God on Islam is coming! [Ed: The congregation says, “Amen!”].
5 Before the birth of Islam, Arabs used to worship many gods amongst which Allah, the goddess of the sky whose symbol was the moon, and Al'Ozza, the morning star. You can easily understand the symbols of the moon and the star in Islam. And in the same way that Rome Christianized pagan and Roman gods and celebrations, that is also how the pagan gods and celebrations of Arabia were Islamized.
6 The sacred words that Muslims pronounce before speaking are practices of the Kahins who are the Arab diviners. Muhammad did not seek far. Islam is, in part, a pure man-made fabrication based on already existing objects of faith. These gods were represented in heaven by stars and on the earth by stones gathered in the Ka'ba in Mecca according to the lie of Islam.
7 Since always, even before Islam, every year, there was a big event, the Hajj; event in which, pilgrims from everywhere needed to circle seven times round these stones which led them to Mount Arafah, which is different from Mount Ararat in Turkey. It is in January 622 that Muhammad, supported by an army of three thousand men, enters the Mecca, overthrows the idols of the Ka'ba and leaves one, which is supposedly the seat of Abraham, Ishmael and Hagar.
8 According to the lie of Islam, Muhammad himself was born around 571. His supposed father Abdullah died four years before his birth. His mother Amina put him in a tribe of Bedouins and died after she took him back. He was taken back by his paternal grandfather who died when he was eight. So it was his uncle Abu Talib who raised him. He became a shepherd with his foster brother.
9 In the North of Mecca, he heard of Moses and Jesus. But he was not able to get the Torah, the five books of Moses. But later, Khadija, a very rich Jewish widow, whose caravan he drove and who became his wife, offered him the scrolls of Moses. Khadija's parents opposed that marriage which took place nevertheless. He was 24 and she was 40.
10 After the death of Khadija, Muhammad took nine legitimate wives and tens of concubines, of whom the most loved was Aisha, the daughter of his friend Abu Bakr, who would be the first caliph, the first vicar after the death of Muhammad. Aisha was six years old when he took her as his fiancée and married her when she was nine years old. Thus, Muhammad married Aisha when she was nine years old. And it was in Aisha’s arms that Muhammad died, sick, when she was eighteen years old. However, know that they are not those things

concerning his private life that make him a false prophet.
11 But how did Muhammad begin his ministry? According to the lie of Islam, around 612, retired for a meditation, he was sleeping in a cave of Mount Hira and he had a dream. The angel Jibril who is not the Archangel Gabriel of the Bible, came to him and asked him to read in a scroll. Muhammad tells him: "I do not know how to read!" But when Muhammad woke up, he had the impression that a book had come down in his heart; that is the reality of the Mawlid. The Quran did not literally come down from heaven as it is insinuated but it had come down in the heart of Muhammad. And that day, after exiting the cave, he sees the same huge angel, filling the horizon and that greets him saying: "Greetings, messenger of Allah."
12 Thus, as he was fatherless at his birth, his name was first “Ma-Homed”, that is to say “Not acknowledged” or “illegitimate”. It was when he became a prophet that his name was changed to Muhammad, that is to say “blessed of God”. But in the beginning, it was “Ma-Homed”, that is to say “Not acknowledged”. “Ma” expresses negation in Arabic. You see? Saul and Paul for Christianity, Mahomed and Muhammad for Islam. [Ed: The congregation says, “Amen!”].
13 Isaac and Ishmael; it was in Heaven that the war had started before getting to the Jews and the Arabs. Isaac had Judaism and Ishmael also wanted his own religion. And when, on behalf of God, from the descent of Isaac, Jesus Christ was born fatherless for a religion derived from Judaism, it was obvious that one day, on behalf of the devil, from the descent of Ishmael, a son would be born fatherless for a religion derived from Judaism. But one was born to a virgin whereas the other was born from a sexual sin to become sex personified. Originally, the veil was imposed on women in Islam to reduce the sexual sins from which one man suffered, Muhammad, born himself to an unknown father.
14 And this is how, until this day, women became the victims of the sexual weaknesses of one man. It is a crime and you, Muslim women, I beg you in the Name of God, the Almighty, if you think that you are not the incarnation of the devil, then reject this yoke and be free!
15 Why would woman become the devil that one needs to put the veil on after thousands of years from the creation of the world? Woman existed before Islam and God who created her never put a veil on her face. If you are sure that you are not the incarnation of the devil that one needs to hide, then reject this yoke and be free, for before God, you are naked despite that! [Ed: The congregation says, “Amen!”].
16 During his life, through trances and moans, he receives and speaks like by prophecies, words that were first learnt by heart and then transcribed on sheep’s shoulder blades and sheepskins and on papyrus. Keep in mind that a part of these inspirations is not contained in the Quran while they are direct inspiration of Muhammad himself.
17 And to come to the Quran that we have today, it was first Caliph Uthman, who established a "Vulgate" from the texts of Zayd bin Thabit reviewed by a committee. And before and after Caliph Uthman up to this committee through Zayd bin Thabit, the texts underwent extensive editing which removed the mysterious verses which were received by Muhammad himself.
18 And I predict that the world will end up with a charismatic Islam. This will happen one day or another on earth... [Ed: The congregation says, “Amen!”].
19 Sincerely, Muhammad repeatedly doubted this spirit but Khadija encouraged him. She influenced him too much otherwise he would have repented publicly! And the Quran removed all this and then underwent countless modifications. Every thing that is subject to the work of a committee is diabolical: like the Quran, we have the Tob bible of the Catholics, the Ostervald, King James, Martin, Louis Segond bibles of the Protestants and evangelicals...

The Message of Matthew 25:6 - Integral text

20 Muhammad repeatedly had some crises that would make him faint and he himself believed that it was madness. All historians recount that. On September 24, 622, Muhammad fled to Medina and established himself as the sovereign pontiff and established a theocratic society, merging with the political, military, economic and religious life that Islam still has.
21 Before Islam, Jewish settlements were already in Yathrib and Christians were in Quraych. So, with the desire to have the Jews, Muhammad asks the Muslims to turn towards Jerusalem during the prayer and also to observe the Kippur fast, the fast for the great forgiveness like the Jews.
22 And speaking of Muhammad, some Jews thought he was the comforter promised by the Christ. The Jews therefore called him and questioned him and saw that he was a seducer. When Muhammad saw that he had failed, he took up weapons and massacred the Jews and asked the Muslims to turn henceforth towards Mecca during the prayer and he transformed the Kippur fast into Ramadan. And he began to contradict Moses, Jesus and the Bible. He changed the name of Yathrib to Medina and the name of Quraych to Mecca
23 It is said nowhere that Muhammad sought sanctification if it is not the same brutal, animal and bloodthirsty behavior that his followers have. The greatest weakness of Muhammad was sex. Fornication and adultery have accompanied him until his death, and what would happen today that women are so beautiful? When he took a second, he did not stand and he took a 3rd one, he did not stand and he took a 4th, a 5th, a 6th one... then mistresses and concubines until he became ill and died.
24 And now observe these Muslims, despite the five daily prayers, barely out of the mosque, they can seize someone and slaughter him like an animal. But in the beginning of their conquest of the earth, they feared to attack Christians, more intransigent and more direct than the Jews in their truth.
25 And it is by means of weapons that a part of the earth has been subjected to this religion for a time. And by choosing Friday as a holy day, we know what that means. The Lord Jesus Christ was arrested on a Friday, He spent time in prison and He was crucified on a Friday. And all the mystical orders, the fetish priests, ... have Friday as their favorable day. Friday is the day of the devil, as the “13” is the devil's figure. Satan appears in Revelation chapter 13 and I unveil Satan in Kacou chapter 13. [Ed: The congregation says, “Amen!”].
26 Well. Some Muslims speak of impure expressions in the Bible and yet the Quran contains a multitude of them and even worse, like: “a drop of sperm emitted” in the Surat Al-Qiyamah. Precisely, Quran, Surat 75:37. It is unworthy of a holy book. If God had not given Islam to the Arabs, humanity would have already been destroyed by the Arabs. You see? It is God who did this in order to tame these wild animals. [Ed: The congregation says, “Amen!”].
27 It is with love that I said all these things for Muslims are a people that God will visit one day. That’s why I have not talked too much of them. The walls of Islam will fall one day like the walls of Berlin and of the communism. The hour comes when a son of Islam will stand on the basis of this Message and will be the torchbearer of his generation like me and he will preach to the whole world. He will condemn Muslims, Christians and Jews.
28 And in that time, those who will believe, will burn their rosaries, hadiths and Qurans and the great and last persecution against the Church will come. In the Name of Jesus Christ, Christianity will infiltrate and will break Islam like the wall of Berlin and it is in that time that the true persecution will begin and it will be thus and it is because of this hour that God has left and given much fame to a book called "The holy Quran".
29 A time will come when the Christian in North Africa is able to worship his God freely, is able to speak freely about his God and no law and no religion will be able to stop that. God

will make so that, one day, through the Internet or others, the barriers and the walls of Islam will be pierced and the fruits will be seen in the streets and the Word of God and the deliverance will reach the Arab in North Africa, even in his interior room.
30 Today, the Internet is the greatest means of communication that God has given to humanity, being able to pierce through all kinds of human and religious barriers. And I do not know how but one day, the God of the Christians will visit North Africa again and great evangelizations will be held again in stadiums as in the past, in the time of the first Christians. And this will happen one day on the earth because I, Prophet Kacou Philippe, I have announced that!
31 And you members of Islam, Hinduism, Buddhism, Christianity and Judaism, I am not a Pentecostal or a magician of Egypt but a prophet. I perform miracles but I am a prophet and it is therefore with the word that I come to you. In the beginning was the word. When the posterity of Satan went from Europe to the corners of the world, it was with crucifixes and statuettes to replace African fetishes, but I come to you with God's oracles.
32 On April 24, 1993, I was a pagan and the creator of the heavens and the earth transported me in a vision and, behold, darkness covered the whole surface of the earth and a star appeared in the sky. And as the star descended, the earth was illuminated because of the light of the star until the light was over the entire surface of the earth. And I saw that the star was an angel and a lamb and their brightness lit up the earth. And the Lamb spoke to me and his word entered into me like a substance so that this light might enlighten the earth. I am the envelope, and the veil and the mouth of this light. And today, the glares of this light have reached all the nations of the earth as it did when it came down from heaven.
33 And since 2002, this word in me speaks. And this light that came down from heaven and dwelling in me enlightens the earth for the Salvation of mankind. That light that had been speaking through the prophets since Adam is the same light that speaks through me with the same voice. And you rabbis, sadhus, pastors and imams, if you were sons of light, you would direct all the earth to me. It is the same living God changing bodies. When a phone stops working, God takes the chip and places it in a new phone and now it is an African phone but it is the same number and the same voice and the same God.
34 I am not a Christian prophet and I have never been a Christian prophet. Never. I just have a Christian accent by birth just as I have this skin color and an African accent by birth. I am the prophet of all the nations, races and tongues of the earth. It was to avoid the Judaic accents that John the Baptist and Paul and the Hebrew prophets fled to the desert. And that is why I lived with a Muslim family in a Muslim neighbourhood. And I loved Muslims as much as I loved Christians.
35 For four years, a Muslim man was like my father. He was already blind when he accommodated me in his home and it was by my voice that he used to recognize me. And I spoke their language because the one amongst his wives who took care of me did not speak French. But I am neither Christian nor Muslim and it is not the Bible or the Quran that guides my steps. And those who have believed in me have not become Christians but they have become disciples of the living prophet of their time. A book or a corpse cannot be the prophet or the guide of a living person.
36 The Torah can make you a pious Jew. The Bible can make you a pious Christian. The Quran can make you a pious Muslim. The Bhagavad-Gita can make you a pious Hindu, but to be saved, you are obliged to believe in the prophet that the living God will send in your time and I am this prophet, I that speak to you.
37 At the judgment, when Noah appears, there will be those who will recognize him, those

with whom he lived because he was their prophet. But will you recognize Muhammad? When Moses appears, there will be those who will recognize him, those with whom he lived because he was their prophet. And when I appear, you will recognize me because I am the prophet that God sent you and who lived with you. But will you recognize Muhammad?
38 Today, you know my height, my shape, my voice, just as in the past, there were those who knew Moses' height, voice, and shape; those who knew Muhammad's height, shape, voice, those with whom they lived. But you have rejected me, the prophet that God has sent to you. And the same way I condemn you on the earth, I will condemn you before God and before his holy angels and before the prophets you claim to belong to. Your temples, churches, mosques and synagogues are only satanic lodges.
39 Christianity is the kingdom of darkness. It is worse than all the religions. Religions are so demonic that John the Baptist had to leave the house of Zechariah the priest. Paul had to go and spend fourteen years in the desert of Arabia to forget everything the religions taught him. And if you reject me today, it is because of religions.
40 The enemies of God on earth are religions and their leaders. Islam and Christianity and Judaism, it is the fullness of Satanism. They are the three attributes of Satan. Judaism is Father Satan above you. Islam is Satan in your midst and Christianity, it is the spirit of Satan in you performing miracles and wonders.
41 The fact that after the vision I went to Christians is a sin. It was Satan who pushed me towards Christianity. Nevertheless, when in the churches, verses of the Bible were read, I did not stand up, just as today I do not have anyone stand up when I read a verse from the Bible. Christian leaders are demons.
42 In a vision, I saw the priests, the prophets, the apostles, the evangelists and the pastors of the earth. Their bodies were human bodies but their heads were heads of different animals. They were in a procession and each of them had a big crucifix in both hands raised in front of him and they were moving with it as in Catholic liturgies and the smoke of the incense went up from the altar. They were moving very slowly and their heads were heads of different animals. Before them, it was written: "Jesus Christ is the Lord of lords and the King of kings".
43 After that, I had an awful dream: I looked up and, behold, a large pope was in the sky facing East. He wanted to hit me with a crucifix that he was holding in his hand and I woke up. They are all demons. And when a Catholic, a Protestant, evangelical or Branhamist prays on some food, I do not eat it, even if he prayed in the name of Jesus Christ.
44 The fact of being Jewish, Muslim, Hindu or Christian is like being homosexual and their gatherings in temples, mosques, churches and synagogues are gay prides before God. When Christians are killed by Muslims, it is like political or ethnic killings, this does not give them the right to go to heaven because they died for a religion. And in the interpretation of their holy book, they are all liars. How can you defend or interpret what is written in the Bible or the Quran when you are neither a prophet nor a witness to the facts written in it?
45 I that speak to you, it is reported that at my birth angels sang. Some witnesses who are still alive saw lightnings and sparks and lights like those of candles and they heard melodies in the sky within a radius of three kilometres and people ran in all directions and some threw themselves to the ground and worshipped and in the days that followed, people came from everywhere with their fetishes and burned them and got converted. A newspaper talked about it, but this, I cannot defend it because I was a baby and how will I go and defend the Bible and the Quran, old books that were supposed to be in museums?
46 But I know that in 1993, I stood in the desert and several angels appeared and formed

white clouds and, on the clouds, it was written in French: "pronounce the judgment and the change of life". You can reject me, but know that at the last judgment, I will be your judge. All my life, I have lived apart from the world. Whether I like it or not, I have always been a prisoner to an inner voice that has always told me: "If you do this, at the judgment, they will say this. Do this so that at the judgment, they may not say this."

47 And you, members of Islam, Hinduism, Buddhism, Christianity and Judaism, if you are sons of the prophets, you will not fight me but you will come to me as in 2 Kings 9, the sons of the prophets had gone out before Elisha and bowed before him. You are proud people destined for hell.

48 You, rabbis and imams and pastors and prophets, you have never seen a vision of God and when I speak, you also speak and yet, one day, you will appear in judgment before me. And like animals in the jungle, you get up and say: "I am an imam, I am a pastor, I am an apostle, I am a rabbi...". Alright, but through which prophet did God establish you? In your countries, can one stand up and establish himself as a minister and the president will agree?

49 And you who are alive today, where and in which year were Moses, Buddha, Krishna, Jesus and Muhammad your prophets? Do you have their e-mail addresses and phone numbers? Are they your prophets because you are Jews, Muslims or Christians? Will Moses become my prophet in this year 2019 if I read the Torah and observe the Sabbath and prayers and ablutions?

50 And will General de Gaulle become the president of the French as soon as the French start broadcasting his old speeches on TV? When you read the Bible or the Quran or the Veda or the Bhagavad-Gita, when you pray a lot, when you fast a lot, are you no longer chased in your dreams? Don’t you eat in your dreams and does Satan no longer immobilize you in your sleep? Don't you have sexual relations in your dreams? And to which paradise will you go with that?

51 Follow the religions, but all the children of God amongst you in this generation will come to me for eternal life. In the vision of April 24, 1993, I saw a crowd of people come to me from all the nations and races and religions of the earth and they said: "We have not seen the Angel and the Lamb and we have not heard the words the Lamb pronounced but we entirely believe it". And all these words have been fulfilled. Those who are destined for heaven and who were in the crowd of the vision come to me.

52 Men and women believe from all nations and tongues and religions and races. In this month of June, the first believers of Botswana, Nicaragua and Costa Rica received baptism and several believers of Burundi, of Zambia and Bolivia asked me to send them apostles to baptize them. At the judgment, I will come forward with the saints of each nation and you, in the group of which prophet will you be?

53 Whether you are members of Islam, Hinduism, Buddhism, Christianity or Judaism, know that I, Kacou Philippe, that speak to you, I am a man like you, but I am the angel who has come from Heaven to mark the elect with the seal of God in this generation. Every day, I beg God to open your eyes like Simon Peter of the Bible to understand who I am.

54 Simon Peter said to his master Jesus Christ: "You, our Rabbi, You are the Christ, the son of the living God" and the Lord Jesus Christ said to him: "You are Peter and on this rock of the revelation, I will build my Church". This statement of Peter was the rock and the highest point of all the revelations in the time of the Lord Jesus Christ. The rock of the revelation in 1415 was to be able to say: "You, John Huss, for our time, you are the Christ, the son of the God of the living".

55 The rock and highest point of the revelation in the year 1545, was to be able to say: "You

Martin Luther, you are the Christ, the son of the God of the living". The rock of the revelation in the year 1906, was to be able to say: "You, William Seymour, you are the Christ, the son of the God of the living". The rock of the revelation in the year 1933, was to be able to say: "You, William Branham, you are the Christ, the son of the God of the living". The rock of the revelation since April 24, 1993, is to be able to say: "You, Kacou Philippe, you are the Christ, the son of the God of the living". To recognize God in a man in your lifetime is the rock and the highest point of faith for eternal life.

56 In the time of Noah, the rock of the revelation was to be able to say: "You, Noah, you are the Christ, the only-begotten son of the God of the living". The rock of the revelation in a generation is to be able to say to the living prophet of your time that he is the Christ, the only-begotten son of the God of the living in your time. And from Adam to the end of the world, all the prophets who came on earth are Christs, Gods in human forms. That is why their words are the word of God.

57 And you in India, Indonesia, Iran, Pakistan, Egypt and Saudi Arabia, and all the Muslims of the earth who say that there must no more be prophets, in the face of Al Qaeda, Boko Haram, should you not cry to Allah for him to send a prophet? In your Islamic nations when there is the slightest problem, why do you cry to the president of the republic instead of asking questions to the Quran? When a Salafist or jihadist takes up arms against his brother in the name of Islam, does Allah approve that?

58 And when a Shia slaughters a Sunni in the name of Allah, does Allah approve that? When a Muslim beheads another Muslim in the name of the Quran, should there no longer come a prophet on behalf of Allah? Is Allah pleased with that? When your presidents, kings, imams, rabbis and pastors die, you replace them, but why shouldn't God, who is alive, send a rassul in replacement of his dead prophets? Neither God nor Muhammad said that there will no more be prophets. You were the ones who made them say that.

59 Your works are satanic, that is why you do not want a prophet anymore. You lie with women from behind in animals' position. Your religions are rotten, full of homosexuals and corrupt men, stinking sin. Your computers and mobile phones are full of impure videos and images of sex, that is why you do not want a prophet. Reject me but you will all burn in hell. In reality, it is not for God but for your religious interests and convictions that you fight me, you will all go to hell with your pastors, sadhus, imams, rabbis and your supporters. But the children of God amongst you will drop their reasonings and come to me for eternal life.

60 O God, since Adam, You raised up prophets and the world is not over yet, but whence does it come that You will no longer send prophets? Elijah did not die, but you raised up Elisha after Elijah. We didn't see Moses' tomb, but you raised up Joshua after Moses. But whence does it come that You will no longer send a prophet while the world continues? Why did You say that the nations will know Jehovah if You do not give them the ability to recognize a prophet?

61 You, inhabitants of the earth, because you reject me, you say stupid words that ridicule you such as: "A prophet does not die, all the prophets are alive". Oh, really?! So, all the prophets are alive and amongst them, each of you has chosen to obey one and disobey all the others? And so, Moses is alive and the Christians refuse to observe his sabbath? So, Jesus of Nazareth is alive in Israel and Palestinian Muslims are firing rockets that could hurt him?

62 You have chosen the way of religions and holy books to go to hell, but I move forward with the children of God. In 2004, an imam came to see me. That is the only time I saw him. He claimed to have seen a great prophet in a dream and that prophet was called Fitilah and when that prophet turned around, it was me.

The Message of Matthew 25:6 - Integral text

63 This imam had come to see me dressed in white with his rosary and the whole appearance of a pious imam. But before he followed me, he wanted me to become a Muslim. Oh, really?! Does a doctor have to become a leper before he treats lepers? When God sends a prophet on the earth, should this prophet become a Buddhist before Buddhists believe in him? Does this prophet have to become a Christian before Christians follow him? Does this prophet have to become a Hindu before all Hindus follow him?
64 And everything this prophet does must be in conformity with the Torah, the Bible, the Quran, the Bhagavad Gita and with all the holy books of the religions of the earth? Shouldn't this prophet stand on behalf of God and condemn all the systems of the earth for the Salvation of the children of God? Are your religions superior to the Word of God? And you Muslim, so if heaven doesn't look like Mecca, you won't enter it? So, the words of a prophet must be in conformity with the Torah, the Bible, the Quran and the Veda, otherwise, he is a false prophet?
65 You are demons and you will all go to hell with your religions and holy books. I am speaking by a divine mandate transmitted by an angel on April 24, 1993. Reject me and be pious, be good and kind, be in the truth, be full of love and peace, help the poor but you will all go to hell with that but those who are destined for eternal life among you will come to me.
66 In 2017, a Salafist from Tizi Ouzou in Algeria wrote me and said: "If you don't want to die, convert to Islam" but Toufik, an Algerian Arab like him is my tireless disciple since 2011. Iran grinds its teeth against me but Farshid, an Iranian, is my disciple.
67 Imams, ulama, sheikhs, ayatollahs hate me but many pious Muslims have become my disciples. They did not leave Islam to become Christians but they believed in me, the living prophet of their time, just as before them, from generation to generation, the children of God believed in the living prophet of their time for eternal life. They took time to listen to me despite their occupations because it is a question of Salvation. They know that one day, they will die and they will go in judgment before God.
68 That Algerian Salafist said: "My prophet is Muhammad, it is not you!". I told him: Alright, but Muhammad did not reveal to you that cigarette will lead you to hell. Muhammad did not reveal to you that the black Muslims that you were selling in Libya have in them the same blood of Ishmael that flows in you. Because you have rejected me, you do not know who the Muslims of Senegal, Nigeria, Sudan and of the entire black Africa and India are. But I tell you that it was Hagar, an Egyptian woman who gave birth to Ishmael and Ishmael stayed in Egypt and married an Egyptian woman.
69 And there was a posterity of Ishmael in Egypt and a part of this posterity spread to Arabia and from this posterity in Arabia came Muhammad. Thus, the descendants of Ishmael who remained in Egypt became part of the black race, the Ishmaelites or black Arabs. And Islam reached them here in Africa. God said of Ishmael that he would be a wild-ass because he would live far from the valley of the prophets. And every man who rejects the living prophet of his time is a wild-ass.
70 All of you inhabitants of the earth, in the name of the Almighty God, I beg you to lift up your head. In regard to Salvation, God who is just did not favour one people over another people. God did not favour the Jew over the Arab or the Hindu over the Christian. You the Arab, the religion of your birth family could have been Hinduism. You the Christian, the religion of your birth family could have been Islam. You the Hindu, the religion of your birth family could have been Christianity.
71 Whether Moses, Jesus, Muhammad, Krishna or Buddha is a messenger of God or not;

whether the Torah, the Bible, the Quran, the Veda is a book that came down from heaven or not, that is not important for you who are alive today. The will of God for your salvation is not what your family or everyone else does around you, but it is what the living prophet of your time tells you.

72 You were born alone and be aware that one day, you will die alone and also, you will go to judgment before God alone. Neither your father nor an imam, or anyone else will answer for you. But God who is just will send a prophet in your lifetime, to show you the way to heaven, just as before you, He also sent prophets to show the way to heaven to generations before you.

73 In 1993, I saw the paradise of God and his prophets covered with a white cloud but the paradises of the religions and holy books do not exist anywhere. And Salvation can never be obtained through debates or discussions or through the practice of an old religion of one's parents but Salvation is to recognize the living prophet of your time and it is this prophet who will tell you what you must do to be saved, just as before you, people like you received prophets in their time and were saved.

74 After reading or listening to me, you have two choices before you: either you die in Islam, Hinduism, Buddhism, Christianity or Judaism and go to hell, or you follow the living prophet of your time to go to heaven and I am this prophet, I that speak to you.
